Use this chart for the guideline sentence recommendations when the court determines that the offender POSSESSED a deadly weapon during the commission of the offense.

Key: Level 3 = Level 4 = Level 5 =

Level 4 and Level 3 shaded areas of the chart indicate restrictive intermediate punishments may be imposed as a substitute for incarceration.

When restrictive intermediate punishments are appropriate, the duration of the restrictive intermediate punishment program shall not exceed the guideline ranges.

The mitigated recommendation is never less than three months (§303.10(a)).

All numbers in sentence recommendations suggest months of minimum confinement pursuant to 42 Pa.C.S. §9755(b) and §9756(b).

If the standard range includes the statutory limit, there is no aggravated recommendation.

The statutory limits used in this chart do not reflect the doubled maximum penalties authorized for second and subsequent offenders under 35 P.S. §780-115.

If any recommendation is longer than the statutory limit, see §303.9(g).
